OBSERVATIONS IN SITU - EX PZs BECOMING HZs

The Chairman of the JC, on site for EAC, WAGAC/WGAC and WAAC has observed a huge loss of time in the conduct of competitions, due to long video reviews for HZ connected with flicks and spins

JC's recommendation for PZs replaced in 2022 by HZs

- Improper flick for pitch / yaw, etc: up to minus 4 or 5 points
- Improper spin entries: up to minus 4 or 5 points
- Tail slides not sliding: minus 4
- Flick in rolling circles: HZ
- Exit on axis: minus 1 point / 5° on axis
