I certify that in this or in the previous calendar year I have judged at a national or international aerobatic championship at the appropriate class in accordance with FAI Sporting Code, Section 6, Parts 1 and 2.

I understand that the CIVA Judging Committee selects the panels of judges for all World and Continental Championships, and these are approved by the CIVA bureau. If I am selected to judge I will be accompanied by the Assistant Judge nominated above, and confirm that we will at all times act as FAI International Officials without prejudice toward any national team or individual competitor.

If requesting reimbursement I agree to comply with the CIVA Travel Allowance (TA) programme and may receive reimbursement only when the necessary forms and receipts for all expenditures have been submitted and approved.

By entering my name below I certify that the information given above is correct and I confirm that we will abide by CIVA's published regulations and instructions at all times.
