

REPORT OF TRAVEL ALLOWANCE FOR 2020

Due to the COVID 19 situation, the decision of cancelling the various CIVA championships was already in the air when selection of judges finished so I stand by waiting for the final decision to contact the officials. So this year there was no work with TA.

Next year I will be happy to again take care of the TA, but slowly another person should think of taking over this task in 2 or 3 years.
