LESZNO · POLAND

Leszno Airfield (EPLS)

LESZNO AIRFIELD is one of the most convenient places for gliding in the world. Leszno is the only town which has hosted the World Gliding Championships 4 times. Open space on three sides at the 124 hectare grass airfield and the nearby sprawling fields make flying safe and comfortable. Leszno Airfield is also well known on great weather conditions!

Great history

Leszno is the only airfield in the world which has hosted the World Gliding Championships **four times** (1958, 1968, 2003 and 2014). Additionally the Junior World Gliding Championships were hosted in 2013. Leszno is now waiting for the most dynamic competition - **Aerobatics**.
